

Young Leaders Wanted: A week in Ottawa on Parliament Hill!
Deadline approaching quickly to *Be a Voice* and *Be Part of it!*

Spaces are limited for the 2018 Forum for Young Canadians program. Invite your young leaders to apply to represent your school and community on the national stage! The deadline to apply is November 24th 2017.

The Forum for Young Canadians is Canada's premier civics education program for students aged 15-19 years old. Forum brings over 100 students per week to Ottawa for an intensive academic adventure immersing them in the exciting world of national politics and public affairs. Participants get to meet the Senators, Members of Parliament and other decision-makers who impact their daily lives and see them in action. After 40 years, this program remains vital for increasing knowledge of decision-making processes for youth from across Canada and engaging them in these processes.

New Dates for 2018 Sessions:

Session 1 – January 28 to February 2 2018

Session 2 – February 19 to 24 2018

Session 3 – March 18 to 23 2018

Do you have a student who is always talking politics, who wants to change the world or who stands up for democracy? The Forum program is looking for engaged students to come share that passion on Parliament Hill.

Encourage your students to apply now to ensure that your leader(s) have the opportunity to:

- gain a better understanding of the national decision-making process in Canada;
- get an insiders' view of Canadian politics and public affairs;
- share their ideas and acquire tools for community engagement;
- enhance their leadership and second official language skills;
- network with other youth from across the country;
- travel to Ottawa and experience Parliament Hill; and
- be a part of a rewarding, exceptional and memorable experience.

Through the testimonials of past participants Forum is regarded as one of the most important weeks of their lives encouraging them to increase their civic engagement through their career choices and civic activities.
